PROFILE

I am an inquisitive ABAP developer dedicated to ongoing learning about new technologies and topics. I actively apply the Kaizen methodology in my daily work to enhance existing processes, drive innovation, and offer fresh insights to the projects I engage with. My goal is to foster continuous improvement and deliver value through my contributions.

WORK EXPERIENCE

ABAP S4 Sr. Consultant

Zdev LLC   2024

- PERRIGO (EU) - SAP - Salesforce Integration - Jul. 2024 - Present
  - Responsible for designing ABAP solutions for integration processes.
  - Developed integrations using proxies and IDocs with an ABAP OO approach.
